

December 2, 2020

To Those Who Find Value in the Performing Arts,

Harmony Arts Program Moose Jaw's newest musical theatre program has recently opened their curtains, under the direction and passion of Jan Nelson. Harmony Arts Program will be working with 17 children to perform Disney's Aladdin Jr on March 4-6, 2021. As with many of the past productions, I can assure you from experience the professionalism of this production will be second to none. This is an opportunity you will want to be a part of.

Opportunities for children's theatre in Moose Jaw have unfortunately been few and far between leaving a void for the children who thrive in the theatre environment. My son is one of those children; when he joined theatre six years ago, I never dreamed he would get the acceptance, joy, and opportunity to shine, like he has received since being part of Moose Jaw's theatre family.

With your help we can make the dreams of our children possible again and give them the opportunity to let their faces shine on stage once again. The Harmony Arts Program and parent committee are looking for sponsorship opportunities to have their performance at Mae Wilson Theatre. It has always been the location for the performances, and it gives the children the opportunity to experience professional theatre.

Your partnership in this is greatly appreciated.

Choosing to be part of the theatrical debut of the Harmony Arts Program we would recognize you at every opportunity in one of the following categories:

Honorary Director

Loyal Patron

Faithful Supporter

All donations will be graciously accepted. Thank you for your support and please contact Jan Nelson for direct questions about the Harmony Arts Program at 306.681.7839 or email harmonyartsprogram@outlook.com or myself for sponsorship questions.

Sincerely,

Lori Deets
Parent Committee Member
